

Rondan Joven

This particular wine is a unique combination of two types of grape. These grapes known as Tempranillo and Garnacha grapes are from the estate vineyards.

Varieties percentage:

70% tempranillo
30% garnacha

VINIFICATION:

Fermentation takes place of the de-stemmed grapes in temperature controlled stainless steel tanks undergoing the process of maceration for one month.

TASTING:

Red Young is a rich cherry red in colour with a majestic purple rim and an amazing bright reflection of light.

THE BOUQUET

is full, with powerful red fruit and blackberry aromas with good intensity.

IN THE MOUTH,

the initial taste is fresh, but fruity, and yet the delightful flavour lingers a while longer.

Ideal serving **TEMPERATURE:** 12-14° C.
